

FALL 2021 STUDY IN A CLASSROOM WITHOUT BORDERS!!!

Overseas Campus Visit

Live Class in the iPodia Classroom

iLearning Platform in Microsoft Teams

Register for: **ENGR 345: PRINCIPLES AND PRACTICES OF GLOBAL INNOVATION**

A unique experience of “global learning from local campuses” using a “classrooms-without-borders” online engagement platform with “learning-from-diversity” pedagogy to study the **dynamic lifecycle of contemporary technological innovation** in a competitive global market with classmates from eleven top universities across the globe.

- 3 Units Co-Taught by USC Profs. & a Global Faculty Team
- Open to **All** USC Undergraduate Majors & Levels across USC Schools/Departments
- Elective Course (*or seek advisor approval*)
- Class Period: Sept. 2 through Dec. 16, 2021
- **Two Sections:**
Thurs: 8-10 AM; or 7-9 PM (6-8 PM Standard Time)

GAIN CROSS-CULTURAL COMPETENCE & PARTICIPATE IN GLOBAL NETWORKING PAIRED WITH AN OVERSEAS TRIP

In addition to working with global classmates on leveraging cultural diversity to inspire advanced technological innovation, students will make an overseas campus visit to **collaborate with global peers face-to-face** to enhance cross-cultural competence in global contexts. USC students overseas travel costs will be supported by the Viterbi iPodia Program Office.
