

Assignment of an Incomplete (IN) and Requirements for Completion

Professors may assign a mark of Incomplete (IN) if a student submits documentation of illness or emergency that occurs after the withdrawal deadline. If a mark of IN is assigned as the student's grade, the professor will specify to the student all work remaining to be done, the procedures for its completion, the grade in the course to date, and the weight to be assigned to the missing work when computing the final grade. A student must complete the IN by completing only the work that was not finished because of illness or emergency. Students may not submit previously graded work. Students cannot complete an IN by re-registering for the course, as this will result in tuition charges to the student.

Students must complete an IN within one year. If not completed within the specified time limit by the professor, the IN automatically becomes a mark of IX (expired Incomplete) and computes in the grade point average of as 0 points.

To the Student: It is your responsibility to complete the required work listed by the professor within his/her specified timeline.
